LAW ENFORCEMENT COMMITTEE
CASE # 24-033

IN RE: Dr. Michael McKinney

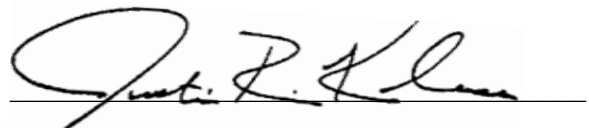

ORDER DISMISSING IMMEDIATE TEMPORARY SUSPENSION

***** ** ** *****

This matter having come on for hearing before the Law Enforcement Committee, (hereinafter “LEC”) of The Kentucky Board of Dentistry on September 13, 2024, Respondent having appeared with counsel, Terry Jacobs, and the LEC having reviewed the record, heard arguments of counsel and being otherwise sufficiently advised;

The LEC, in consideration of the fact that Dr. McKinney has been released on bail by the Court, has pled not guilty to all pending charges and further has been permitted by the Court to return to work with the provision that he is home each day by 5:00 pm per the attached Court’s order, does hereby dismiss the Immediate Temporary Suspension previously entered consistent with the Court’s Order and other conditions in the criminal case against Dr. McKinney. Should further charges and/or indictments be filed against Dr. McKinney and/or should Dr. McKinney violate any of the Court’s terms of his release, the LEC reserves the right to reconsider the issuance of a suspension order.

Entered this the 18th day, of Sept. 2024.
