

Moderate Enteral Sedation Permit

201 KAR 8:550. Anesthesia and sedation.

(2) Moderate Enteral Sedation permit that authorizes a dentist to use moderate enteral sedation for patients age thirteen (13) and older;

Section 7. Qualifications for Obtaining a Moderate Enteral Sedation Permit.

To qualify for a Moderate Enteral Sedation permit, an applicant shall:

- (1) Submit an Application for Sedation or Anesthesia Permit;
- (2) Pay the fee required by 201 KAR 8:520;
- (3) Hold current certification in either ACLS or PALS or successfully complete a six (6) hour board-approved course that provides instruction on medical emergencies and airway management; and
- (4) Provide proof of successful completion of:
 - (a) A Commission on Dental Accreditation (CODA) accredited postdoctoral training program that affords comprehensive and appropriate training necessary to administer and manage moderate sedation; or
 - (b) Provide proof of successful completion of a board-approved course that shall consist of a minimum of twenty-four (24) hours of didactic instruction plus management of at least ten (10) adult case experiences by the enteral route or the combination enteral and nitrous oxide route. These ten (10) cases shall include at least three (3) live (on sight) clinical dental experiences managed by participants in groups that shall not exceed five (5) individuals. These three (3) live (on-sight) experiences may be obtained by observing a permit level dentist in his or her office, and the remaining cases may include simulations and video presentations and shall include at least one (1) experience in returning a patient from deep to moderate sedation.
