### Agreed Order re: Dr. Justin Clemens, Kentucky License Number 8167

Whereas the Kentucky Board of Dentistry has evidence that Dr. Justin Clemens has violated the Kentucky Dental Practice Act to include failing to properly notify patients of his temporary termination of his practice and how they can obtain their patient records, and based on other allegations and behavior in the presence of the Law Enforcement Committee that suggest Dr. Justin Clemens may be unfit to practice dentistry, Dr. Justin Clemens agrees to the following:

1. Dr. Justin Clemens shall immediately surrender his Kentucky dental license.
2. Within seven days of this order, and prior to March 14, 2014, Dr. Clemens shall enter into a Well-Being Committee approved in-patient assessment facility, and thereafter, shall undergo whatever treatment is recommended by the assessment facility.
3. Following successful completion of treatment and discharge from the Well-Being Committee approved treatment facility, as well as demonstrating fitness to practice dentistry, Dr. Clemens may request reinstatement of his Kentucky dental license.
4. Any deviation from the terms of this order shall result in the Immediate Temporary Suspension of Dr. Clemens Kentucky dental license for no less than two years.

Having seen and agreed to:
