Re: License #6596; Order and Notice of Immediate Revocation of Kentucky License to Practice Dentistry

Dear Dr. Sadrinia:

Please note that this correspondence is being directed to your attention as we have been advised that you are no longer represented by Attorney Robert McBride, and we have not received notice of new counsel.

The Kentucky Board of Dentistry recently considered information within its possession through its Law Enforcement Committee regarding your right to practice dentistry under the Kentucky Dental Practices Act.

The Law Enforcement Committee, by and through its statutory authority, has made the following preliminary findings of fact, which have been supplemented with additional investigative information and documentation:

- 1) In the matter of USA v. Jay M. Sadrinia, M.D., USDC Eastern District of Kentucky, Covington Division, Criminal Action No.: 2:22-CR-28-DLB, you were convicted of unlawfully distributing opioids that caused a patient's death;
- 2) Based upon your conviction, the LEC finds that you constitute an immediate danger to the health, welfare, and safety of your patients and the general public in violation of KRS 313, authorizing the Board, by and through the LEC to immediately revoke your license as authorized by KRS 313.080 and KRS 313.100; and
- 3) Pursuant to KRS 313.080 and KRS 313.1000, the Law Enforcement Committee of the Kentucky Board of Dentistry (hereinafter the "LEC"), by majority vote, has the authority to issue an order for the revocation or of your license for a criminal prosecution.

With the above in mind, the LEC made the following conclusions of law by invoking KRS 131.080.

With due regard for the totality of the circumstances, the Board, by and through a majority vote of the LEC, hereby orders that your license to practice dentistry in Kentucky

An Equal Opportunity Employer M/F/D

be immediately revoked for the reasons set forth above as necessary to protect the health, safety, and welfare of the public for alleged violations of KRS 313.080(1)(d).

This revocation of your license shall become effective upon service by personal delivery or by mail to your last known address on record with the Board. You may not practice dentistry as that term is defined in KRS 313.010(11) effective upon delivery of this Notice of Revocation, unless you hold a current license in good standing issued by the Board.

Since your license has been revoked, you shall make appropriate professional arrangements to refer your dental patients to provide a referral, by placing an appropriate written notice in your dental office, if any, or window visible to the public, and by staffing your dental office, if any, for a reasonable time starting immediately, so that an office staff person is available to make continued referrals in person.

The Board requires that you review this Order, sign and date below, and provide a copy to the representative of the Board, or mail/fax a copy to the Board at the address on this letterhead.

Should you have any questions or concerns, please feel free to contact the Kentucky Board of Dentistry.
